Work Experience Application

Name:

Contact address:

Phone number:

email address:

School:

What is your current year of study?

What subjects are you taking?

What computer software have you used?

Have you ever written a web page? Yes No.

When would you want to come to CSPA?

What fields of astronomical research are you interested in?

Why do you want to do work experience at CSPA?

Please provide names and contact details for two people who can provide references for you. At least one should be a current teacher.

Is there anything else which you think might help us process your application?

Please return this form, along with a covering letter and a letter from your school, to:

Work Experience Co-ordinator
CSPA
School of Mathematical Sciences,
Building 28,
Monash University
